

Training at Gildenburgh Water, 7th July 2013

Trip Report by Jan Lellmann

The Divers

- > Jan Lellman (AD, OWI)
- > Dan Reynolds (DL, OWI)
- > Adrian Carr (SD)
- > Ruth Charles (SD)
- > Will Fletcher (OD trainee)

Had a fantastic time on Sunday, although Will apparently wasn't entirely convinced by the whole concept of a drysuit and instead decided to take a few liters of Gildy back to the shore. Instead of boring you with a full trip report, here is some video that we took last weekend:

As you can see it's an excellent time now that summer seems to have finally arrived, and visibility is still quite good. So for all the trainees, find yourself a group, an instructor, and get started!
